

Conveying
energy,
powering
lives.

About us

We at Senthil Group have set a mark for ourselves in multiple industries, being committed to top notch quality by every standard. From sweet to steel, we ensure we hold our ground in every possible field that we are confident of adding value to, and making a difference in.

The businesses we are in include steel, papers & boards, construction, energy, fruits & jams, biotech, construction materials, entertainment and mining. We house a best practice of delivering the finest products to our customers and clients, both in India and abroad. Our value propositions lie in uniqueness, quality and commitment.

Senthil Green Power Private Limited

Our renewable energy arm, Senthil Green Power Pvt Ltd (SGP) plans to set up large solar parks in the Tuticorin & Ramanathapuram districts. SGP has a long term vision: to be a leader in renewable energy production in India and become a partner in nation building.

What do we plan to do?

We plan to build, operate, maintain, lease and transfer solar plants for clients who consume energy.

With multiple players in the EPC and PV panel spaces, SGP enters a unique space as a solution provider and a partner to the client. With its own EPC team, SGP has adequate lands and approvals for solar forms. Clients who aim to reduce energy bills and decrease their carbon footprint can sign up with us to build, operate and transfer solar plants.

What is the key difference with SGP?

SGP offers multiple options to our clients with a range of choices and adequate land mass in areas with high solar insolation. The IRR could vary between the ranges of 25% to 35%, with a Pay-back range starting at 3 years to 8 years.

Our Services

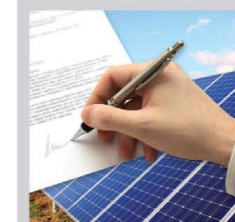

Solar Parks: We build solar parks, including land aggregation. We also undertake operating & maintaining it, 24/7.

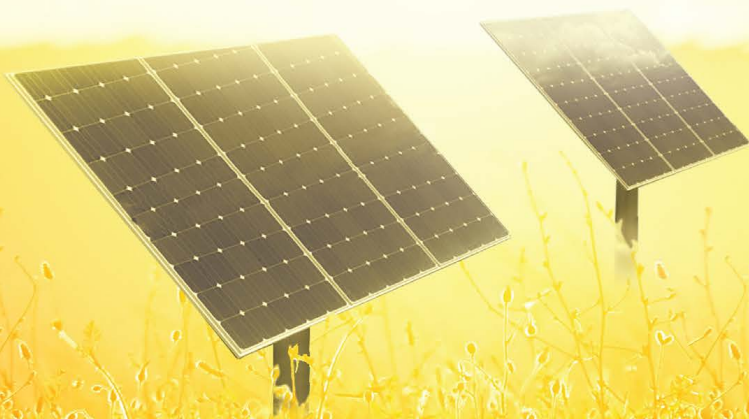

EPC: We handle all engineering, procurement and construction related jobs, including civil work for all types of solar projects.

BOLT: We also undertake building, operating, leasing and transferring of solar plants

Accompaniment: We do Funding Arrangements, Legal Clearances, Formation of SPV, Permits, etc.
